#### **VOLUNTEER EXPECTATIONS**

Family participation is an important part of creating a school community. Family members are expected to volunteer their time, energy, and ideas. Opportunities for volunteering include, but are not limited to: attending monthly Parent Meetings, driving for field trips, helping out in the classrooms and at publicity/community events, donating items for the Silent Auction, organizing and participating in fundraisers, donating recyclable goods, helping with recycling turn-in, picking up hot lunch on hot lunch days, and helping out with copies and classroom prep work. At least one family member is expected to attend each monthly parent meeting and at school work days. A \$10.00 credit will be applied from the Parent Meeting fee towards your family's account for each parent meeting attended.

California Education Code section 35021 requires that volunteers who are consistently on campus or who drive for field trips be TB tested and fingerprinted (live scanned). Volunteers for whom this applies need to be fingerprinted by California Community Care Licensing. Paperwork to be fingerprinted is available in the school office and can be picked up upon the receipt of a copy of negative TB results from within the last year. There is a cost associated with the fingerprinting process and Whittier Friends School will offset this cost for **one** member of each family. Upon receiving the fingerprint clearance, your family account will be credited the processing fee. Fingerprinting does not need to be repeated each year, but TB tests do need to be submitted annually.

We understand that not every family is able to drive on field trips or volunteer in the classroom and that some family members may not be comfortable with being fingerprinted; therefore it is not a requirement to be fingerprinted to have your child enrolled in Whittier Friends School. However, if you choose not to be fingerprinted, you will need to find other ways to volunteer.
