HOW ARE WE DIFFERENT FROM OTHER SCHOOLS?

Quaker Values

We learn and live the values of our founders, Whittier First Friends Church.

Peace, Simplicity, Equality, Integrity, Service, Community, and Outreach are values that people of all faiths and persuasions can appreciate. We do not teach specific religious doctrine. A liberally-minded faith, Quakers honor and welcome all, advocating and giving a voice for those who are usually marginalized.

Limited Enrollment

Small class sizes (approx 10/1 ratio) ensure your child receives personalized instruction and attention.

Multi-grade classrooms

Your child's teacher remains with your child for multiple years. Students may advance or receive extra help while staying with peers.

Curriculum

Along with Math, Language Arts, History, and Science, our students participate in Art, Music, Theatre, Physical Education, and Social-Emotional Learning.

Whittier Friends School admits students of any race, color, sexual orientation, gender expression, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. We do not discriminate on the basis of race, color, sexual orientation, gender expression, national and ethnic origin in administration of any of our educational policies, admissions policies, scholarship and loan programs, and athletic or other school-administered programs.
