CURRICULUM

Along with the core subjects of **Math, Language Arts, History** and **Science**, our students have the opportunity to participate in **Art, Music, Theatre, Physical Education, Spanish** and **Conflict Resolution**.

Quaker Expression

- *We honor all faiths as we try to live our Quaker values.
- *We encourage our students to be spiritual beings but we do not expect conformity of spiritual expression.
- *Instead of formal religious instruction, we let our beliefs shine through our daily lives.
- *We have weekly **chapel** time where our students may reflect on a story about values or share during a time of quiet reflection.

Quakers' beliefs are based upon Jesus' teachings and upon the realities of those truths applied in the lives of believers.

QUAKERS BELIEVE:

- *Religion involves a personal encounter with God.
- *Each individual has worth, dignity, freedom and responsibility before God.
- *Our worship is a personal, positive act of seeking.
- *The power of love and reconciliation are a way of life that makes hatred and violence impossible.
